Assistant Commissioner of Patents  
Washington, D.C. 20231

**TERMINAL DISCLAIMER (37 CFR 1.321)**

I, Steve Rosenblatt, represent that I am the attorney of record of this invention. The assignee is Baker Hughes Incorporated, 3900 Essex Lane, Houston, Texas 77027. The assignee owns 100% of all right, title and interest in the above-referenced application and any patent to be granted therefrom. The assignment in the prior application was recorded on May 27, 1993, and is located at reel/frame number 6591/0927.

The terminal part of any patent granted on the above-identified application, which would extend beyond May 27, 2013, the expiration date of the full statutory term of United States Patent No. 5,435,390, is hereby disclaimed, and it is agreed that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 5,435,390, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

No disclaimer is being made as to any terminal part of any patent granted on the above-identified application prior to May 27, 2013, the expiration date of the full statutory term of United States Patent No. 5,435,390, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term
